III. Changes in Academic

1. Application for detailed major

- Detailed majors are organized in each department.
- Submit a detailed application for assignment of majors by the end of the first semester (Graduate School Website Multiple Information – Various Forms)

2. The composition of a major course

- Major courses consist of a common required course, a required major by specific major, and a major selection course.
- The required subjects must have at least 6 credits each in the master's or doctorate course and 9 credits or more in the master-doctorate joint degree course.

3. An upper limit on the number of credits for opening other departments.

Able to take other departments' courses and the upper limit is set by the internal regulations of the department. (See each department notice)

4. Credits per semester

- You cannot take more than 9 credits per semester (but 12 credits in the Department of Dance) (15 credits or less, including major research, athletes' subjects, and project research)
- A master's or doctorate course can receive 12 credits only once in school if the average grade is 4.3 or higher.
- For a master-doctorate joint degree student, if you have an average score of 4.0 or higher in the previous semester, you can take up to 12 credits without limiting the number of times.

III. Changes in Academic

5. Grade/Evaluation

- The grant of A+ grades shall not exceed 50% of the students in each subject.
- Exceptions shall be made for major research and subjects with less than three students.

Rating	Acquisition Score	GPA	Conversion score on a scale of 100 points
A+	Over 95	4.5	100
A	90 ~ 94	4.0	94.28
B+	85 ~ 89	3.5	88.57
B	80 ~ 84	3.0	82.85
C+	75 ~ 79	2.5	77.14
C	70 ~ 74	2.0	71.42
P	PASS 0	none	none
F	~ 69	-	-

IV. Academic Information

1. Terms of Studentship and thesis submission

- Master's (including the combined bachelor-master's program) courses are **five years** from the date of admission, **eight years** for doctorate courses, and **nine years** for master'-doctor's joint courses.
- Terms of leave of absence and dismissal are not included in the maximum term of studentship.
- However, foreigners do not have any limitations in terms of studentship.

2. Registration

Classification	Program	Registration	Remarks
Formal Registration	Master's and Doctor's degree	At least 4 times(semesters)	mandatory (However, who meets the requirements for early completion, 1st semester can be shortened)
	Master-doctor's joint degree	At least 8 times(semesters)	
Research Registration (10%)	Master's degree	Registration upon his/her opinion (BK21 or when carrying out an external research project) according to one's student status. You can register after submitting a research registration application.	'Research Registration' system has been applied since 2010. This is applied to Ph.D. freshmen from 2008. (For Master-Doctor's joint degree student, it will be applied when you enter the Ph.D. program.) The first semester after the doctorate is mandatory registration. About the second time, you must apply for research registration during the thesis semester. Research and registration must be made at least two times by the time of graduation.
	Doctor's degree Master-doctor's joint degree	Register more than once after completion of a degree course until the completion of a thesis. (within the term of studentship)	
Registration per credit (50%)	Master's, Doctor's degree	Application period at the beginning of each semester (mid February/ August)	Those who want to register for the semester per credit should have completed 4 semesters (Master's or Doctoral program) or 8 semesters (a master-doctoral joint degree) and the insufficient credits to complete the program should be less than 3 credits. But, registration for more than 4 credits is regarded as the formal registration(100% tuition fee).

IV. Academic Information

3. Leave of absence

- A leave of absence may be applied for in units of one year, but students may apply for reinstatement (return to school) every semester.
- The period for leave of absence cannot exceed 3 years (6 semesters) in total.
- The application should be submitted to the Graduate School Office by yourself through (<http://mportal.cau.ac.kr>) before the semester begins.

(Including leave for military service and paternity leave)

✓ Application Procedure

However, foreigners should visit the graduate school office to submit the documents.

- A student must take a leave of absence within 14 days from the start of the semester to get the total amount back when the reason for the tuition refund occurs (for the first semester of a new student, you can apply for a leave of absence after the start of the semester) (Execution period: From the first semester of 2017)

Caution

- Recipients of the full scholarship cannot take a leave of absence in the first semester, except in Article 32 of the Enforcement Regulations 1 on the Operation of Graduate School academic department.
