Overall Assistance for Startup Immigration System (OASIS)

Recruitment of Participants for

2026 OASIS-2 (Advanced Intellectual Property Course) – 5th Cohort

KMAC Global Start-up Immigration Center

The **Overall Assistance for Startup Immigration System (OASIS)** is a program operated by **Global Start-up Immigration Centers** jointly designated by the **Ministry of Justice** and the **Ministry of SMEs and Startups of the Republic of Korea**, with the aim of promoting domestic startup activities by foreign entrepreneurs with outstanding technological capabilities.

The **Advanced Intellectual Property Course (OASIS-2) – 5th Cohort** is organized by the **Global Startup Immigration Center operated by Korea Management Association Consultants Inc. (KMAC)** and **Jeonnam-Gwangju International Residents Center.**

A. Program Overview

1. **Program**:
   Advanced Intellectual Property Course (OASIS-2), 5th Cohort
   (This program will be conducted entirely in English.)
2. **Objective:**
   To provide advanced coursework required for intellectual property acquisition and in-depth education on essential knowledge on residency and startup ecosystem in Korea.
3. **Eligibility:**
   Graduates of the OASIS-1 program who are legally residing in Korea and intend to establish a technology-based startup in Korea.
4. **Application Period:**
   October 26 (Mon), 2026 – November 22 (Sun), 2026, until 24:00 (KST)
5. **Application Method:**
   Submission of required documents, including the application form, sworn statement form, proofs of immigration/residency status and OASIS-1 Completion Certification via email.
6. **Training Schedule:**
   November 25 (Wed) – November 27 (Fri), 2026
   (Total of 20 hours over three days)
7. **Completion Requirements:**
   Participants who attend at least 80% of the total program will be granted a certificate of completion.
8. **Venue:**
   Jeonnam-Gwangju International Residents Center
   (5th floor, 82, Pungyeong-ro 145, Gwangsan-gu, Jeonnam-Gwangju, Republic of Korea)
9. **Benefits of Participation:**
   - Accumulation of OASIS points required for obtaining startup immigration visas (Technology Startup Visa D-8-4 and Startup Preparation Visa D-10-2)
   - Eligibility to participate in the next stage of the program (OASIS-3)
   - Completion of advanced training for technology-based startups in Korea
